Oooh Oooh Aaah!  
Check me out Baby

*[Chorus:]*

Tell me do U wanna go home with me?  
Tell me do U wanna come creep with me?  
Tell me do U wanna get wild with me?  
Tell me do U wanna go home?

Tell me do U wanna go home with me?  
Tell me do U wanna come creep with me?  
Tell me do U wanna get wild with me?  
Tell me do U wanna go home?

The dance floor is jumpin'  
The music is pumpin'  
I'm checkin out your grooves  
'Bout to make my moves  
Across this crowded room  
Cause I'm scoping you

I'm feeling confident  
I just came from the bar  
Sick of wondering  
Who the hell you are  
Cause I want you  
What a nigga gotta do  
Tell me.

*[Chorus]*

(Tell me, Tell me, Tell me, Tell me)  
(Oooh Aaaah)

*[2nd Verse]*

You wanna have some fun?  
Come ride with me, Let's chill  
I'll take you to a place  
And both of us get ill  
Cause I'm feeling you  
Just tell me what to do, Baby

Take my hand lets go

That's all I wanna do  
Fellas wondering  
How to step with you  
Cause my game was tight  
Everything turned out right  
That Night, Tell me

*[Chorus]*

(Tell Me, Tell Me, Tell Me)  
(It ain't Nuthin but a Thang)  
(You ain't said nuthin but a word baby)

I'll break you off  
till the sun comes up  
Baby, come and get this thang Gyrl  
Won't tell a soul  
It's Down Low  
Trust Me, I'll give you what you want Baby  
Let's go get freaky  
Cause I'm in the mood  
Get Nasty, get wild on my side Baby  
Wanna get in where I fit in Baby  
Baby, Tell me do you wanna go.

*[Chorus]*

(I gotta have you all to myself, Yes I do)  
(I've been peeping U)  
(I like your style)  
(I like the way you move)  
(Yes I do)

Tell me do ya, uh: *[echoes & fades]*  
Tell me do ya aaah: *[echoes, fades & ends]*
