Yeah

On my time off I seen a lot of people trying to be like
me

Timbaland, I know you Have (you know what im sayin?)

But we gon' hit it like this (Check it out)

Chorus:

None of y'all wanna go against G

Y'all check me out trying to all be me

Well this goes out I'mma show you on stage

that you don't got what it takes

None of y'all wanna go toe 2 toe

Face 2 face head 2 head blow 4 blow

And this goes out I'mma show you on stage

That you don't go what it takes

Listen

What's mines is mines and yours is yours

You were violated when you walked thru the door

Can't nobody see Ginuwine and the Fam

Step up in the business and we changed all your plans

Entertained our people gave 100 damn percent

Never dreamed that much that all of us would get big

To all of those who want it won't you just quit it?

You ain't seen a thing until you all have come with it

Don't need to trip Nigga take your pick

'Cause on this CD every songs a hit

My whole damn crew can a soul get wit?

So don't even hate 'cause you can't touch it

Chorus

None of y'all wanna go against G (oh yeah)

Y'all check me out trying to all be me (trying to all be
me)

Well this goes out I'mma show you on stage

that you don't got what it takes

(ooh no no no no you don't got what it takes)

None of y'all wanna go toe 2 toe (Oh no)

Face 2 face (hell no) head 2 head blows 4 blows

And this goes out I'mma show you on stage (Yo)

That you don't go what it takes (Check this out)

Ginuwine)

I'mma get respect one way or the other
Even if I take it I'mma make you wanna
go get your crew
But they can't help you
Now it's you and I
and you know you're through
I'm going out whoever think they can
get with Ginuwine and Timbaland
Step to the plate go ahead take your swing
Now it's my turn watch me do my thing

Chorus:

None of y'all wanna go against G (No no hell no)
Y'all check me out trying to all be me (oh oh no no)
Well this goes out I'mma show you on stage
that you don't got what it takes (oh oh oh oh oh no)
None of y'all wanna go toe 2 toe (hell no)
Face 2 face head 2 head blows 4 blows
And this goes out I'mma show you on stage
(this goes out I'mma show you)
That you don't got what it takes!
