(Intro)

I lose my mind everytime you touch me
I can't control myself (when it comes to you)

HIT ME

I lose my mind everytime you touch me
I can't control myself

(Verse)

I love every single way that you look at me
There's somethin special in the way that you talk
Then I see that sexy style, something goes thru me
(Yeahhh)
I think the greatest thing is watchin you walk
Wait a minute, let me go back and retrack what I said
because...

(Chorus)

I lose my mind everytime you touch me
I can't control myself (when it comes to you)
Touchin Me (when you) x3
Touchin Me

(Verse)

I love it when you rub my hair when armrest out the
chair
Or I let you hold my hand in the club
To let the chicks know you don't share (mmmhh)
Or in the middle of the night when we're naked
When you lyin next me
Even when I'm not in the mood, just the slightest touch
from
Makes me go insane
Thats why I say...

(Chorus)

I lose my mind everytime you touch me
I can't control myself (when it comes to you)
Touchin Me (when you) x3
Touchin Me

(Hook)

Then there is no sunlight, you brighten my life

With every touch of your hand and it seems like
When things don't go right, you make it alright
If you just touch me again... Ooohh

(Chorus)

(I lose my mind)

I lose my mind everytime you touch me (Ooohh you
touch me)

can't control myself (when it comes to you)

Touchin Me (when you) x3

Touchin Me

I lose my mind everytime you touch me (yeah...)

I can't control myself (when it comes to you)

Touchin Me (when you) x3

Touchin Me
