It's gon be (Its gonna be a lil somethin)

Trouble Trouble (Now you know what's up)

It's gon be (Its gonna be a lil trouble you keep goin)

Trouble Trouble (Ha Ha Ha Ha)

It's gon be (I like Doing things like that)

Trouble Trouble (Yeah)

(Bun B Rap)

Say man she don't stop, she get it get it

Baby Girl the way she did it

Way she works her body Makes a playa wanna hit it

Did it up and down, then she shook it all around

Shorty look at that and then she dropped it to the
ground

Now I'm thinking I done found her panties roaming in
the town

This girl was cuchia down, backside wasn't leaving
ground

I was on it like a hound

Got at her on the double

But been all up on her bubble

Say man this girl is trouble

(Verse 1)

Baby girl you know your sexy

The way you move your body

Hope the music never stops

I like the way you wind

Don't pay me no Attention

I'm just admiring that body

I'm enjoying my view, strickly from behind

Your back, your cold, your good at what you do

Don't stop, it's working on the pole

You don't know what you bout to get into

Do you girl... You better watch yourself

(Chorus)

It's gon be Trouble, Trouble

If she don't stop dancing on me like that
The way she pushing me back, I'm just saying
It's gon be Trouble Trouble
If she get any closer, imma have somethin for her
To grind on grind on
Trouble, Trouble
If she don't stop dancing on me like that
The way she pushing me back, I'm just saying
It's gon be Trouble Trouble
If she get any closer, imma have somethin for her
To grind on grind on

(Verse 2)

Baby girl you something else
With the way you move yourself
If you wanna get closer
Baby it's alright
I'd like to thank ya shawty
For coming to this party
Cause I'm enjoying my view
And baby I got your back
Your back, your cold, your good at what you do
Don't stop, it's working on the pole
You don't know what you bout to get into
Do you girl... You better watch it come

(Chorus)

It's gon be Trouble, Trouble
If she don't stop dancing on me like that
The way she pushing me back, I'm just saying
It's gon be Trouble Trouble
If she get any closer, imma have somethin for her
To grind on grind on
Trouble, Trouble
If she don't stop dancing on me like that
The way she pushing me back, I'm just saying
It's gon be Trouble Trouble
If she get any closer, imma have somethin for her
To grind on grind on

If you keep on doin that
You must wanna get it
You better watch it girl cause it's gon be trouble

(Chorus)
