now wait a minute lil mama
cuz we just now meetin
and your hands in my pocket
you just tryin to make a profit
girl you know you need to stop it
you turnin me off, turnin me off, turnin me off
you betta recognize a real playa,
ahhh,
girl you know you wanna get next to me
so i can put your body in ecstasy
you're tellin me to give it to ya
ahhh,
now you got me feelin yo energy
and you dont have to say dat you're into me
cuz baby its apparent to me
im comin w/ my 6th album
and i still aint stoppin
when the ladies here im droppin
to my show they all be flockin
they turnin me on, i be turnin em on, we be turnin this
song
now wait a minute im a dude
i aint tryin to be a fufu
when it comes to bein smooth
i aint got nothing to prove
you know i got all the moves
you turnin me off, turnin me off, turnin me off,
you betta recognize a real playa,
i signed wit no defyin
now the whole world wanna be down
you know yo time is up
the homie its time to return my crown
i want it now, yeah
ahhh,
girl you wanna get next to me
so i can put your body in ecstasy
you're tellin me to give it to ya
ahhh,
now you got me feelin yo energy
and you dont have to say you're into me
cuz baby its apparent to me

wait a minute lil mama
i aint wit the game
start a lil ass war
im a grown ass man
and im turnin you on, turnin you on, turnin you on, am i
turnin you on
we can fake we can trip
lil miss i know you wit it
all the playin hard to get
when you knew you want me in it
im turnin you off, turnin you off, am i turnin you off
you betta recognize a real playa
