What we gonna do right here?
Just take you way back, way back in to time
My man Ginuwine
For all y'all people out there
[Incomprehensible]
[Incomprehensible] now Ginuwine speak

Dig if you will the picture
Of you and I engaged in a kiss
Sweat of your body covers G
Can you my darling
Can you picture this?

Dream if you can a courtyard
Oceans of violets in bloom
Animals strike curious poses
I feel the heat
The heat between me and you

How can you just leave me standing
Alone in the world that's so cold?
Maybe I'm just too demanding
Maybe I'm just like my father too bold

Maybe you're just like my mother
She's never satisfied
Why do we scream at each other
This is what it sounds like
When doves cry

Touch if you will my stomach
I feel how it trembles inside
Now, you've got the butterflies all tied up
Don't make me chase
Even doves have pride

How can you just leave me standing
Alone in the world that's so cold?
Maybe I'm just too demanding
Maybe I'm just like my father too bold

Maybe you're just like my mother

She's never satisfied
Why do we scream at each other
This is what it sounds like
When doves cry

How can you just leave me standing?
Maybe I'm just too demanding
Maybe you're just like my mother
She's never satisfied
Why do we scream at each other
This is what it sounds like
When doves cry

Maybe I'm just like my mother
She's never satisfied
Why do we scream at each other
This is what it sounds like
When doves cry
