See if I say that I love you, girl, I really mean it
You won't be mistreated so why you wanna trip?
I know that I cheated but that won't be repeated
Girl, you won't believe it 'cause my love is true

And I'm sure that, that you're hurt
Don't deserve the kind of things that I put you through
Let me show you, baby, what you worth
More than these chicks runnin' 'round girl, I'll prove it to
you, girl

I don't wanna fight and I don't wanna fuss
I just wanna kiss you and just make love
Touch you like this and I touch you like that
You gon' forget, gon' forget, gon' forget why we're
fighting

'Cause I don't wanna scream, don't feel I gotta cuss
Baby, let me kiss you so we can make love
When I touch you like this and I touch you like that
You gon' forget, gon' forget, gon' forget what we're
fighting for

Hold up to my heart beat, baby, are you listening?
Without it, I ain't right, it's like learning to ride a bike
Never forget, it never sleeps
And if you fall, you get back up and dust the dirt right
off

And I'm sure that, that you're hurt
Don't deserve the kind of things that I put you through
Let me show you, girl, what you worth
More than these chicks runnin' 'round girl, I'll prove it to
you, girl

I don't wanna fight and I don't wanna fuss
I just wanna kiss you and just make love
And when I touch you like this and I touch you like that
You gon' forget, gon' forget, gon' forget why we're
fighting

'Cause I don't wanna scream, don't feel I gotta cuss

Baby, let me kiss you so we can make love
When I touch you like this and I touch you like that
You gon' forget, gon' forget, gon' forget what we're
fighting for

And this house is not a home
If you ain't here with me, ain't workin' with me
And I just can't let you go
I don't wanna fight no more, girl, I can't let you go

And this house is not a home
If you ain't here with me, ain't workin' with me
I just can't let you go, baby
I don't wanna fight no more, girl, I can't let you go

I don't wanna fight and I don't wanna fuss
I just wanna kiss you and just make love
And when I touch you like this and I touch you like that
You gon' forget, gon' forget, gon' forget what we're
fighting for

'Cause I don't wanna scream, don't feel I gotta cuss
Baby, let me kiss you so we can make love
When I touch you like this and I touch you like that
You gon' forget, gon' forget, gon' forget what we're
fighting for
