Slip slip slide step on the good side
Just glide do wacha like
Ain't no drama ain't no static
Get yo' body on the floor
Do it till you can't no more
Sweat get your body soakin'
Slide until the floor is smokin'

Chorus:

Slide, step to the good side (3x)
Slip slip slip slip slide
Slide to the side then glide
Slide to the side then glide

Slide and swing and say c'mon!

Do what ever that turns you on
Non-stop till the early morn'
Till the break o' dawn(2x)
So keep on sliden' keep on movin'
Keep on doing what you're doin'
So just let lose, enjoy the ride
And slide slide slide until you're
Satisfied

(Repeat chorus)

Breakdown: (ohh yeah)
Slide from side to side

(Repeat chorus)
