Angel on your Shoulder
(copyright 2009 F.Gioia, J. Hancock)
Lyrics by Gioia

Verse 1

You are alive, and I am beside you
Making a stance, for the rest of our lives
It's all a chance, the future before you
Hand and hand, we'll tow the line

Chorus 1

Don't you know there's an angel on your shoulder
Fighting by your side
Life can turn around in an instant
Don't you say goodbye

Verse 2

Strength from within, you've got to find it
Your not giving in, till the pain subsides
Loving you still, no matter the problems
I always will, till the end of time

Chorus 2

Don't you know there's an angel on your shoulder
Fighting by your side
Life can turn around in an instant
Don't you say goodbye

Let the love we share
Be your guiding light
Feel my loving arms, all around you
Don't you say goodbye

Bridge

Though the battle rages all around us
Our love endures the pains for better or for worse
Feel my love for you cut through your darkness
You are not alone, no no
You are not alone

Verse 3

You are alive, and I am beside you
Making a stance, for the rest of our lives

It's all a chance, I'm taking it with you
Hand and hand, all through the night

Chorus 3

Don't you know there's an angel on your shoulder
Fighting by your side
Life can turn around, in an instant
Don't you say goodbye

In an instant
In an instant
In an instant, baby life can turn around

In an instant
In an instant
In an instant, baby life can turn around

Don't you say goodbye
Don't you say goodbye
Don't you say goodbye

Don't you say goodbye
Don't you say goodbye
Don't you say goodbye
