Lyric by Gioia

Verse 1

There is a place that I go
Far away from it all
Nothing compares to its beauty

Hear the ocean waves
See the mountain cascade
Feel the wind swept serenity

Refrain 1

When I see such beauty unfolding before my eyes
Lifts my spirit to a place called paradise
And the cares deep inside me are relaxed
Finally, I am free at last

Verse 2

Once was a time when I was lost
Never cared about the cost
Of living without sympathy

Now the sound of her call
Show me that I have been wrong
I hear it, in her harmony

Refrain 2

And the oneness that feel with, planet earth
Joins my body and my mind with, the universe
So much joy has escaped me in a glance
Finally, I am free at last

Bridge

I free, I'm free
Whoa yea
I free, I'm free
Whoa yea, free at last

Refrain 3

When I see such beauty unfolding before my eyes
Lifts my spirit to a place called paradise

No more cares deep inside me, cause I am free
Yes I am free
I am free at last

When I see such beauty
When I see such beauty
It takes my breath away
It takes my breath away
It takes my breath away
