Lyrics written by Gioia

Verse1

Lets get right down to it, put it on the line
I'll give you everything I've got, give it every time
But when it comes to your love, can I put my trust in you
Could I be the one, who finally broke through

Refrain1

Tell me this is real
Tell what you feel
Is it real (I got know right now)

You've been in love before
But tell me this time, it means more
More, more, more, more

Reintro

I want to know, I want to know
(Sweetness you need to tell me)
I want to know
(Am I the one this time)
I want to know
Time to fill me in, I want to know

Verse2

So many words to say, you keep them all inside
Of all the things I want to say, 4eva comes to mind
Every day you show your love in little things you do
Do I dare believe what I see is true

Refrain2

Tell me this is real
Tell what you feel
Is it real (I got know right now)

You've been in love before
Tell me this time, it means more
More, more, more, more

Bridge

Cause I want more
Got to have more
More, more, more
Got to have more

Verse3

So many times you've walked away from love that you
found
But I wont let you leave my heart, shattered on the
ground
A little voice inside my head says I got to slow it down
Then you look into my eyes and slide up your gown

Refrain3

Tell me this is real
Tel what you feel
Is it real

You've been in love before
You tell me this time, it means more
A little more, a little more more

I want to know, I want to know
(Sweetness you need to tell me)
I want to know
(Am I the one this time)
I want to know
Time to fill me in, I want to know

Tell me what you feel inside
Tell me is it real
Tell me what you feel inside
Sweetness is it real

Tell me what you feel inside
Baby is it real
Tell me what you feel inside
Sweetness is it real
Is this real, Is this real

Cause I want know
I want know
I want to know right now

I want to know
I got know
I want know right now

I want to know
