When I saw you standing there
I Â'bout fell out my chair
And when you moved your mouth to speak
I felt the blood go to my feet

Now it took time for me to know
What you tried so not to show
But something in my soul just cried
I see the warmth in your blue eyes

Baby, I love you to want me
The way that I want you
The way that it should be
Baby, you love me to want you
The way that I want to
If youÂ'd only let it be

You told yourself years ago
YouÂ'd never let your feelings show
The obligation that you made
For the title that they gave

Baby, IÂ'd love you to want me
The way that I want you
The way that it should be
Baby, youÂ'd love me to want you
The way that I want to
If youÂ'd only let it be

Now it took time for me to know
What you tried so not to show
But something in my soul just cried
I see the warmth in your blue eyes

Baby, IÂ'd love you to want me
The way that I want you
The way that it should be
Baby, youÂ'd love me to want you
The way that I want to
If youÂ'd only let it be

Baby, IÂ'd love you to want me

The way that I want you
The way that it should be
Baby, you'd love me to want you
The way that I want to
If you'd only let it be
