RUN AWAY

From reality

Day dreaming my life away

Day by day, it's all just the same

Let me escape, just let me be free

RUN AWAY

These eyes tell the tale of a desperate man

Too afraid to tell the truth

Just trust me when say I'm alright

Just trust me when I say I'll get by

I just don't know who I am anymore

Surrounded by people that just come and go

I need to get away and see something more

Than the life that I've been trapped in so long

So long

So run for your life

Live or die

The past is the past, just leave it behind

Forget everything that holds you back

Forget everything, just never look back

RUN AWAY

So sick of the same thing every day

FUCK FOLLOWING

FUCK BEING THE SAME

Let the shadow of a failure follow me

Let the wolf be free, be free, be free

So lost, so confused

I just don't know who to turn to

But I know there's so much more

So much more that I can do

I gotta get out

I gotta find my way

Before time runs out

Before it's all too late

Who has the answers to all my problems?  
Stop pretending like you're gonna try and solve them  
I won't watch my dreams die  
I won't live, live a lie

Who has the answers to all my problems?  
Stop pretending like you're gonna try and solve them  
This life isn't for me  
It's time, time to break free

RUN AWAY  
And never looking back  
RUN AWAY
