I would sail around the world  
Look for gold and dive for pearl  
But I know I will never get to go

I would like to win a prize  
Be in everybody's eyes  
But it's true, I would probably not get to

My life has always been simple  
No one ever knows when I come and go  
And my dreams are ending at sunrise  
And dreaming just don't make it so

So I've lived with no regret  
Wouldn't change a thing and yet  
Now and then, wish that I could start again

My life has always been simple  
No one ever knows when I come and go  
And my dreams are ending at sunrise  
And dreaming just don't make it so

I would sail around the world  
Look for gold and dive for pearl  
But I know I will never get to go

Yes it's true, I would probably not get to  
Oh no, I will never get to go
