Lost in a city  
That knows my name more than myself  
Lost in myself  
In a city that knows my name too well  
What the fuck am I doing here?  
When all I want to know is who I am  
Eyes on me from everyone  
Believe me  
I don't have the answers you're looking for

Do you see the truth in me?  
Or just what I want you to see?

Do you see the truth in me, in me, in me?

So what does life mean to me  
All the roads I've travelled  
And now all the places I've seen  
Nothing, nothing makes sense to me...

So what does life mean to me  
All the roads I've travelled  
And now all the places I've seen  
Nothing, nothing makes sense to me

Sometimes we have to get "lost" to really find ourselves

And I can't put the pieces all together  
(We have defined ourselves)

I don't know  
What I'm looking for  
I don't know  
What I'm here for

So what does life mean to me  
All the roads I've travelled  
And now all the places I've seen  
Nothing, nothing makes sense to me...
