Baby Blue, Baby Blue WOW WOW WOW
Baby Blue, Baby Blue WOW WOW WOW
Baby Blue, Baby Blue WOW WOW WOW
Baby Blue, Baby Blue, Baby Blue WOW WOW WOW

Holding you so tightly in my dreams,
I see your eyes,
I feel your lips,
That weave the magic you can spin
Endless hours tantalized
I've spent them waiting for the time
When suddenly you'll be back home again

Chorus:
Baby Blue
Baby Blue
Baby Blue
Baby Blue

Without you to light my way
I'd have to spend it day to day,
I would be just an empty oyster shell.
You're the girl that shined so bright,
and filled my life with loving light.
I'd never let you go away again.

Chorus:
Baby Blue
Baby Blue
Baby Blue
Baby Blue
Baby Bluuueeee... (continues)

Baby Blue, In the fast lane,
Baby Blue, Take the late train,
Baby Blue, Leave it all behind you now... I'm waiting.
Baby Blue, In the fast lane,
Baby Blue, Take the late train,
Baby Blue, Leave it all behind you now...
I'm waiting here for you
Baby Blue, In the fast lane,
Baby Blue, Leave it all behind you now...

I'm waiting here for you

Holding you so tightly
In my dreams
I see your eyes,
I feel you lips,
and we connected, you can sin.
Endless hours tantalized,
I spend in waiting for the time,
When suddenly you'll be back home again,

Baby Blue
Baby Blue
Baby Blue
(Repeating)
