Gipsy please
Won't you give me
The secret key
Of life's mystery
And she said...

(VOCODER)

First Hand Experience In Second Hand Love Beauty
First Hand Experience In Second Hand Love..

Gipsy girl
won't you unfurl
the flag of life
before my eyes
And she said...

(VOCODER)

First Hand Experience In Second Hand Love Beauty
First Hand Experience In Second Hand Love..

Then she read my hands
Then she read my eyes
Said I am a man
Who must learn to cry
Then she took her cards
Then pair a pack of truth
Gazed towards the stars
Said I must learn to lose

Gipsy girl
Oh can't you see
That you are the one
I really need
She said I need

First hand experience
In second hand love
I need
First hand experience
In second hand love

Then she read my hands
Then she read my eyes
Said I am a man
Who must learn to cry
Then she took the cards
Then pair a pack of truth
Gazed towards the stars
Said I must learn to lose

Gipsy please
I won't be
Lover of you
Oh tell me please
But she just said..
