If u only were mine  
Mine you'd be forever  
I could hypnotize u  
U will never leave my side

Oh I, understand  
You've got your life  
You've got your business, got your friends  
But I just wanna be with you always  
Want to catch u, like a butterfly

I will put you in a box so that no one can see u  
I'd feed you I'd bath you, you will be okay  
See the world from my pocket, now don't be afraid  
I'm not crazy, I just love you

If u only were mine  
Mine you'd be forever  
I could hypnotize u  
U will never leave my side

Oh it, may sound strange,  
But loving u is someting that I couldn't change  
And since I don't believe in potions  
I hypnotize u with emotions

I would tell you that you're wonderful,  
Lovely, divine, you are geat, miracle  
And you're blissfully mine  
Share my world share each day stay and never go  
away,  
I'm not crazy, I just love you

If u only were mine  
Mine you'd be forever  
I could hypnotize u  
U will never leave my side

Truly, really, honestly  
I don't wanna, wanna be  
Acting as possessively  
As I am right now

Maybe somehow possibly  
I just gotta let you be  
For I'm lovinh you simply, crazily
