Sun is up, finally
Got a thing or two I wanna do
And I don't wait for you, I'm on my way
On my way

As soon as I, easily
Slip into another dress or two
Decided where I'm going to, I'm on my way
On my way
So let me say,

Baby, goodbye I'm off
I just can't be bothered with waiting
But hey, don't you cry my love
Tonight the table's set for two

City calls, eagerly
Wanna step into the morning due
No sorry I can't wait for you, I'm on my way
On my way

I'm ready know, all of me
So where's my key, peck on the cheek
Cell and shades is all I need, I'm on my way
On my way
So let me say,

Baby, goodbye I'm off
I just can't be bothered with waiting
But hey, don't you cry my love
Tonight the table's set for two

(I'm on my way) so now I'm on my way
(I'm on my way) I'll walk to fiery roads again,
Oh yes I'm on my way

Sun is up, easily
I don't know where I'm going to, but I know I'll return to
you
I'm on my way. on my way
So let me say,

Baby, goodbye I'm off
I just can't be bothered with waiting
But hey, don't you cry my love
Tonight the table's set for two

So now I'm on my way
I'll walk to fiery roads
Oh yes I'm on my way,
I'll walk to fiery roads
Oh yes I'm on my way
