If it ends right here, I could care less  
I could care less, if this is it.  
Just keep driving, to wherever  
I'm serious

If it ends right here, it's pure bliss  
Pure bliss, if this is it  
And if I wake up, it's all on us  
I'm serious

As long as you don't stop  
Whatever it is you're doing to me (4x)

What you're doing...

And if it's all in this, it's still priceless  
Priceless, for tonight  
For now you're everything I could have wished for  
I'm serious

And whatever you do, you'll leave me breathless  
Breathless, cause this feels right  
Just keep driving, to wherever  
I'm serious

As long as you don't stop  
Whatever it is you're doing to me (4x)

Hey, I'm about to lose control  
Yeah for sure I'll lose my head  
Make the same mistakes I made before  
And yeah, I'm about to give it all  
To someone I just met  
Seems it's the only way I know  
I know...  
Seems it's the only way I know

As long as you don't stop  
Whatever it is you're doing to me (4x)

Stop, you're doing to me  
Please don't stop

Don't stop  
Please don't stop
