Don't wanna choose the easy way now
You mean so much more to me
Guess peaches end cream forever
Is not the way it's gonna be
And though the thrill is gone
And the sparkles are gone
I know you're still the one
And though butterflies flew away, it's with you I wanna
stay

Stay together

I could easily walk away now
And throw the towel in the ring
But I believe in round 7, 8, 9, 10, 11
Baby
I love you
Get up!

Stay together

Ooh
I'd rather be with you
I'd rather fight with you, yeah
And then apologize to you yeah yeah
And ooh you'd rather be with me
And you'd rather fight with me, yeah yeah
Then apologize to me yeah yeah

Stay together
