:confused: No Volvere by the Gypsie Kings should be reworded properly to make sense of the song message . This is the way I heard it :

This is basically a break-up song

Amor Mio

Amor Mio Por Favor

Tu No Te vas

Yo contare a las horas

Que yo me voy

Volver...

No volvere,no volvere,no volvere

No quiero recordar,No quiero recordar...

...

This is the story of one lover farewell to his/her counterpart

In essence the message is:

My Love, My love please you are not leaving

I will ( I'm the one who is leaving) counting the hours  
when I am leaving

Return?

I will not return, not return,

I do not wish to remember

Do not wish to remember...

...

When I first heard it via the internet I had to repeat the cd to clearly understand and make sense of the song. The words in spanish I have read in the web does not make any sense in arriving at the message of the song.
