A friend in need and a friend in deed
You've got a friend in me

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed

You just remember
What your old pal said
You've got a friend in me
You've got a friend in me

You've got a friend in me
You've got a friend in me
You've got troubles, I've got 'em too
There isn't anything I wouldn't do for you

We stick together
We will see it through
You've got a friend in me
You've got a friend in me

Some other folks might be
A little bit smarter than I am
Bigger and stronger too
But none of them
Will ever love you the way I do
It's just me and you

And as the years go by
Our friendship will never die
You will see it's our destiny
You've got a friend in me
'Cause you've got a friend in me

A friend in need is a friend in deed
You've got a friend in me
A friend in need and a friend in deed
You've got a friend in me

Oh, you've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed

You just remember
What your old pal said
You've got a friend in me, yeah
You've got a friend in me

And as the years go by
Our friendship will never die
You will see it's our destiny
You've got a friend in me
'Cause you've got a friend in me

You've got a friend in me
'Cause you've got a friend in me
You've got a friend in me
You've got a friend in me

A friend in need is a friend in deed
You've got a friend in me
A friend in need and a friend in deed
You've got a friend in me

A friend in need is a friend in deed
You've got a friend in me
A friend in need and a friend in deed
You've got a friend in me
