....

I've been waiting all day for ya babe  
So won't cha come and sit and talk to me  
And tell me how we're gonna be together always  
Hope you know that when it's late at night  
I Hold on to my pillow tight  
And think of how you promised me forever  
(I never thought that anyone)  
Could make me feel this way  
(Now that you're here boy all I want)  
Is just a chance to say

[Chorus]

Get Out, (leave) right now,  
It's the end of you and me  
It's too late (now) and I can't wait for you to be gone  
'Cause I know about her (who) and I wonder (why) how I  
bought all the lies  
You said that you would treat me right but you was just  
a waste of time (waste of time)

Tell me why you're looking so confused  
When I'm the one who didn't know the truth  
How could you ever be so cold  
To go behind my back and call my friend  
Boy you must have gone and bumped your head  
Because you left her number on your phone

(So now after all is said and done)  
Maybe I'm the one to blame but  
(To think that you could be the one)  
Well it didn't work out that way

[Chorus]

I wanted you right here with me but I have no choice  
you've gotta leave  
Because my heart is breakin'  
With every word I'm sayin'  
I gave up everything I had  
On something that just wouldn't last

But I refuse to cry  
No tears will fall from these  
Eyeee-eeee-eeeee  
Ooooh, ooooh  
Get out

[Chorus x2]

Get out (leave)  
You and me  
It's too late (too late)  
You ohh  
Bout her (who, why)  
You said that you would treat me right (noooo)  
but it was just a waste of time (waste of time)

Ohhhh oh oh oh hoh oh
