Some boys kiss me, some boys hug me
I think they're okay
I they don't give me proper credit
I just walk away

They can beg and they can plead
But they can't see the light
(That's right, that's right)
'Cause the boy with the cold hard cash
Is always Mr. Right

'Cause we are living in a material world
And I am a material girl
Ya know that we are living in a material world
And I am a material girl

Some boys romance, some boys slow dance
That's alright with me
If they can't braise my interest
Then I'll have to let them be

Some boys lie and some boys try
But I won't let them play
(No-way, no-way)
Only boys that save their pennies
Make my rainy day

'Cause they are living in a material world
And I am a material girl
Ya know that we are living in a material world
And I am material girl

Living in a material world
(Material-all)
Living in a material world
(Material-all)
Living in a material world
(Material-all)
Living in a material world
(Material-all)

Boys may come and boys may go

And that's all right you see
Experience has made me rich
And now they're after me

'Cause everybody's living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

A material
A material
A material
A material

Living in a material world
(Material-all)
Living in a material world
(Material-all)
Living in a material world
(Material-all)
Living in a material world
(Material-all)

Living in a material world
(Material-all)
Living in a material world
(Material-all)
Living in a material world
(Material-all)
Living in a material world
