How long until I know you don't care for us?
How long until I know you don't care about us?
And you try to adjust
Try to adjust

How long until I know you don't care for us?
How long until I know you don't care about us?
And you try to adjust
Try to adjust

How long until you are shaking?
And you sing oh you say

How long until I know you don't care for us?
Searching through papers as if you where looking for
us
And you try to adjust
You try to adjust

How long till you are shaking?
And you sing oh you say
Say, say

Bring it on back against the wall
When you are falling
Bring it on back against the wall
When you are falling
And you said no, you said no

And you try
