All of these faces yet nothing's the same
Alice in her land
your soul mate it's sane.

We are not waiting,
we are not waiting,
we are not waiting for.

You are just savin' the rich for the poor
although you're outdated
you still have a score.

We are not savin'
we are not savin'
we are not savin' for.

You say Oh baby boy you've grown up with your toys
and now your face is red cause you're blushing again.
Now your face is red cause you're blushing.

Oh I feel so alive for the first time.
All of these faces yet nothing's the same
Alice in her land
your soul mate it's sane.

We are not waiting,
we are not waiting,
we are not waiting for.

You say Oh baby boy you've grown up with your toys
and now your face is red cause you're blushing again.
Now your face is red cause you're blushing.

I want to get close to you and make sure we're falling.
Back down to the eyes are blue
and make sure were falling, falling down.

All of these faces yet nothing's the same
Alice in her land
your soul mate it's sane.

We are not waiting,
we are not waiting,
we are not waiting for.

Oh, oh, oh baby boy you've grown up with your toys, oh,
oh.
