Here she comes,
You better watch your step
She's going to break your heart in two,
Yes it's true
It's not hard to realize
Just look into her false colored eyes
She builds you up to just put you down,
What a clown

'Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease
(She's a femme fatale)
See the way she walks
Hear the way she talks

You're written in her book
You're number 37, have a look
She's going to smile to make you frown,
What a clown
Little boy, she's from the street
Before you start, you're already beat
She's gonna play you for a fool,
Yes it's true

'Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease
(She's a femme fatale)
See the way she walks
Hear the way she talks

'Cause everybody knows
The things she does to please
She's just a little tease
Yeah she's just a little tease
See the way she walks

Hear the way she talks

'Cause everybody knows
She's a femme fatal
Yeah she's a femme fatal
Yeah she's a femme fatal
