You're alone,  
Everyone around you they're just asking,  
Everyone around you they're just asking.  
Oh what did you expect?  
In the day  
I would smile clear without the crowd now,  
You would smile clear without the crowd now.  
Oh what did you expect?

In the day oh,  
in the day oh,  
in the day oh,  
in the day  
it's just the same now.  
In the day oh,  
in the day oh,  
in the day oh,  
in the day  
it's just the same now.

Smash into my head.  
Smash into my head.

I'm alone,  
Everyone around me they're just grabbing.  
Everyone around me they're just grabbing, grabbing.  
Oh what did you expect?  
With the fame,  
comes with all the stories you can't claim  
comes with all the faces you will shed.  
Oh what did you expect?

In the day oh,  
in the day oh,  
in the day oh,  
in the day  
it's just the same now.  
In the day oh,  
in the day oh,  
in the day oh,  
in the day

it's just the same now.

Smash into my head.  
Smash into my head.

In the day oh,  
in the day oh,  
in the day oh,  
in the day  
it's just the same now.  
In the day oh,  
in the day oh,  
in the day oh,  
in the day  
it's just the same now.
