You sleep all day to sulk the pain away
You sleep all day to sulk the pain away
Mr. Chivalry is hangin around
Passin gifts all over town

But why do I
Cut cut cut cut you?
Why do I
Cut cut cut cut you?
Why do I feel so wide?

Your heart is hanging stiff its over there
Your heart is hanging stiff its over there
She passes by, gives a sigh
Second glance was on her mind

But why do I
Cut cut cut cut you?
Why do I
Cut cut cut cut you?
Why do I feel so wide?

I guess its just a phase
I guess its just a phase
I guess its just a phase
I guess its just a phase

Now you will stand
You're waiting you're waiting
For my new plan
You're waiting, just waiting

But now, but now
Could you feel so low?

But now, but now
Could you feel so low?

So here's our life, its happy yet false
So here's our life, its happy yet false
Mr. Chivalry is hanging around

Waiting to be the talk of the town

But why do I
Cut cut cut cut you?
Why do I
Cut cut cut cut you?
