You're the one whose just spinnin' round
you never knew just what to do.
When everything came crashin' down
the rainy days felt not so blue.

And now you're just insane (insane),
You'll never be the same.
And now you're just insane (insane),
Hey.

Pink lemonade on a sunny day
is the routine killing you?
A cancer weighs on your fragile brain
the only cure is something new.

And now you're just insane (insane),
You'll never be the same.
And now you're just insane (insane),
Hey.
And now you're just insane (insane),
You'll never be the same.
No! No! No! I am insane (insane),
I'll never be the same.

Bow down to who claimed you
and know, know, know, know, know, know, know
your pain with pink lemondade,
Pink lemonade,
Bow down to who claimed you
and know, know, know, know, know, know, know
your pain with pink lemondade,
Pink lemonade.
