Hear me on again you are not the one
pretend it's over,
Over.
Everyone is on the run
you are left there with the gun
it's over,
Over.

Let it breathe.
You are the one
don't you see.
You tried so hard at fake
and now you're left to blame.

And all I know is what I'm told
and it's oh.
Everyone must have they're fun
and it's oh.

Let it breathe.
You are the one
don't you see.
You tried so hard at fake
and now you're left to blame.

Oh you spin me around
Oh it's tomorrow's excuse
when you're begging
for the pleasure and the pain.

Doctor, doctor let me have my water.
Hear me on again oh.
I'm the one safe I am just the one safe.
Hear me on again oh.

Let it breathe.
You are the one
don't you see.
You tried so hard at fake
and now you're left to blame.

Oh you spin me around
Oh it's tomorrow's excuse
when you're begging
for the pleasure and the pain.
