We like the man with the roamin' hands and rushing
fingers.

And you know what I couldn't quite stand
is how you always make me mad.

I said, My baby my darling I didn't want to hold you.
My baby my darling I didn't want to hold you down so
I let you roam all around town.

But here we go again we're running a down that road.
Yeah, here we go again we're running a down that
road.

I said a tic toc away we walk
tic toc away we walking down now
towards that street now.

And when your man comes runnin' through.
And when your man comes runnin' through.
He's gonna shiver down in you.
Oh when your man comes runnin' through.

Yeah, here we go again we're running a down that
road.
Yeah, here we go again we're running a down that
road.

Yeah, here we go again we're running a down that
road.
Yeah, here we go again we're running a down that
road.

Oh, then I know how hard it is (then i know how hard it
is)
to stop a speeding train (to stop a speeding train).
Oh, then I know how hard it is (then i know how hard it
is)
to stop a speeding train (train).
Oh, then I know how hard it is
to stop a speeding train.
