A perfect lie
Did save your life
As she lay stiff and sexless on your bed

Just pushed aside
And asked to hide
Along with all your brutal reality slides

We had front seats
For your slide show (-ho oo ow)

We had front seats
For your slide show (-ho oo ow)

Mr. Demille
The close up shot
Oh just shut up and let the photo talk
Oh just shut your mouth
And stand up straight
Flash goes the camera called "life's mistakes"

We had front seats
For your slide show (-ho oo ow)

We had front seats
For your slide show (-ho oo ow)

{BREAK}

We had front seats
For your slide show (wah ha ha whoa whoa whoa whoa)

We had front seats
For your slide show (wah ha ha whoa whoa whoa whoa)

We had front seats
For your slide show (wah ha ha whoa whoa whoa whoa)

We had front seats
For your slide show (wah ha ha whoa whoa whoa whoa)
