They say she off the meter
From the track to the street
Oh yea, I'm vicious
So delicious
All the boys wanna eat
Go ahead and hate the baby
Sa-sa-salty but sweet
I spin the bottle till tomorrow
There aint no memories

So bring it up
Burn it down
Throw it back
Another round
I think I'm losing control
Oh, oh, oh
Take it high
Bring it low
Are you ready
Here we go
Cuz even if the cops is coming I aint gunna stop

Let's do some stupid shit!
Get messy, messy with it
Do some stupid shit!
I know we're not supposed to
But the hell with it!
You're dirty, dirty baby
Are you down with it?
Well then let's go do some stupid shit!
Tell me, are you ready baby? Are you ready now?

I'll be your after party
Are you rocking with me?
I keep it hush, hush how I does my thing the D
You want tell everybody
Baby girl, she with me
But I aint even trippin', pimpin', I'm just doing my thing

So bring it up
Burn it down

Throw it back
Another round
I think I'm losing control
Oh, oh, oh
Take it high
Bring it low
Are you ready?
Here we go
Cuz even if the cops is coming I aint gunna stop

Let's do some stupid shit!
Get messy, messy with it
Do some stupid shit!
I know we're not supposed to
But the hell with it!
You're dirty, dirty baby
Are you down with?
Well then let's go do some stupid shit!
Tell me, are you ready baby? Are you ready now?
Come on, come on, come on
Tell me, are you ready baby? Are you ready now?

Giddy up!
Get down with it, get get down, get get down, get get
down
Giddy up!
Get down with it, get get down, get get down, get get
down
Giddy up!
Get down with it, get get down, get get down, get get
down
Giddy up!
Turn this up cuz this a hit, let's go do some stupid shit!

Get messy, messy with it
Do some stupid shit!
I know we're not supposed to
But the hell with it!
You're dirty, dirty baby
Are you down with it?
Well then let's go do some stupid shit!

Let's do some stupid shit!
Yeah, yeah, yeah
Let's do some stupid shit!
Come on, come on, come on!
The hell with it!
Yeah, yeah, yeah
Nic, Nat, Tiff, Chrys
Let's go do some stupid shit!

Tell me are you ready baby? Are you ready now?
Holla!
Tell me are you ready baby? Are you ready now?
Holla!
