Huh...

I thought that I knew you
Thought that you were true too
Why couldn't I have been right, right

While my spirit wasn't fighting
You were there in hiding
Didn't want to look in the light

While the words have escaped me
The love won't erase me
I just got so,
So tired of asking why

While you were acting shady
I realized this shit's crazy
Nothing left to say
But good-bye, bye, bye

~Chorus~

Yea I'm already gone
Why are you trying to hold on
Stop trying baby it's too late, baby it's too late

Yea I'm already gone
Guess our love wasn't strong
There's nothing left for you to say

Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Already gone...

Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Already gone...

Don't want to rewrite it
Go back and define it
There's nothing here to make me stay

Day by day I'm stronger
My heart shows no longer
There's no guilt standing in my way

While the words have escaped me
The love won't erase me
I just got so,
So tired of asking why, asking why

While you were acting shady
I realized this shit's crazy
Nothing left to say
But good-bye, bye, bye

~Chorus~

Yea I'm already gone
Why are you trying to hold on
Stop trying baby it's too late, baby it's too late

Yea I'm already gone
Guess our love wasn't strong
There's nothing left for you to say

Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Already gone...

Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Already gone...

I'm not gonna look the other way
I can't let myself waste another day
I don't hate you
I don't blame you
I just got to know the truth

I don't hate you
I don't blame you
But I know I'm done with you

Baby come back... Ain't comin' back
Baby come back... Ain't comin' back
Baby come back... Ain't comin' back
Baby come back (x3)

Yea, Yea, Yea

~Chorus~

Yea I'm already gone
Why are you trying to hold on
Stop trying baby it's too late, baby it's too

Yea I'm already gone
Guess our love wasn't strong
There's nothing left for you to say

Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Already gone...

Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Yea I'm gone, yea I'm gone
Already gone...

Baby come back (x4)

Let Me go-oh

Baby come back (x7)
I'm gonna go,
