[Tiffanie]

You take a girl on a few nice trips  
Let a girl sit in a few nice whips  
I guess you feel like I owe you one  
I guess you want me to show you something  
So you got mamma a brand new bag  
Hoping mamma gonna feel that swag  
I guess you feel like I owe you one  
I guess you want me to show you something

[Chrystina]

You say you like to go shopping (Eh)  
You wanna take me out  
(You wanna take me out?)  
You buy me a little something something  
Saying that it's nothin  
But I know what it's about  
But you don't wanna play dress up (Eh)  
You wanna take me down (down)  
Guess you figured a trinket or two  
Would get you a ticket into what's under my blouse

[Tiffanie]

[Nichole & Natalie]

Oh I wish that you could see  
How foolish you look  
You tryin' to get my honey  
And I find it very funny  
Cuz you look just like a dummy  
Plus I got my own money  
Oh I wish that you could see  
How foolish you look  
I'm so unimpressed  
All of your tactics

Your trying to play this game  
But I think you need practice

[Tiffanie]

Breathin' down my neck  
Breathin' breathin down my neck  
You be breathin' down my neck  
Breathin' breathin' down my neck  
I guess you feel like I owe you one  
(Oh you think that I owe you?)  
I guess you want me to show you something  
(Oh you want me to show you?)

Breathin down my neck  
Breathin breathin down my neck  
Want me to show you something  
Show you something  
Breathin' down my neck  
You take a girl on a few nice trips  
Let a girl sit in a few nice whips  
I guess you feel like I owe you one
