[Chorus]

She the girl you always wanted I guess I'm nothing to
your eye I'm moving on because I don't love you
anymore it's over

[Verse 1]

You didn't tell me what I wanted to hear you never
thought about it was always her and now I got
something to say it's over

[Chorus]

She the girl you always wanted I guess I'm nothing to
your eye I'm moving on because I don't love you
anymore it's over

[Verse 2]

It's over now for good I gave you chances and I fell
apart because I knew I had something to do and I just
want to say it's over

[Chorus]

She's the girl you always wanted I guess I'm nothing to
your eye I'm moving on because I don't love you
anymore it's over

[Verse 3]

I held you up when you were down and all I got was
another frown and I don't expect it's over it's over

[Chorus]

She the girl you always wanted I guess I'm nothing to
your eye I'm moving on, [I'm moving on, I'm moving
on, I'm moving on] I don't love you [I don't love you
anymore] it's over, it's over, it's over. it's over she the
girl you always wanted I guess I'm nothing to your eyes
I'm moving on because I don't love you anymore it's
over, I just got one thing to say and that is it's over
