Corus:

She's the girl you always wanted  
I guess I'm nothing to your eye  
I'm moving on because I don't love you anymore  
its over

You didn't tell me what I wanted to hear  
you never thought about me  
it was always her and now I got something to say  
its over----

Corus:

She's the girl you always wanted  
I guess I'm nothing to your eye  
I'm moving on because I don't love you anymore  
its over

Its over now for good  
I gave you chances and my fell apart  
because I knew I had something to do  
and I just want to say  
its over----

Corus:

She's the girl you always wanted  
I guess I'm nothing to your eye  
I'm moving on because I don't love you anymore  
its its over----

I held you up when you were down  
and all I got was another frown  
and I don't what to say except  
its over----- its over

[It's Over Lyrics on ]

Corus:

She's the girl you always wanted  
I guess I'm nothing to your eye  
I'm moving on (I'm moving on,I'm moving on)I'm  
moving on---- I don't love you----(I don't love you  
anymore) Its over (its over, its over) Its over---

She's the girl you always wanted  
I guess I'm nothing to your eye---  
I'm moving on because I don't love you anymore  
Its over

I just got one thing to say and that is--  
its over---
