Hope she like ma  
Hope she like ma  
Left overs  
Left overs  
Left overs  
Hope she like ma  
Hope she like ma

I've been slavin'  
In this kitchen  
All night  
But no matter  
What I make  
I can't satisfy  
Your appetite  
Seems  
Like every time  
You do something bad  
We start over  
From scratch  
But it never seems  
To turn out right

Cause  
Were here alone  
Everything  
Must go well  
And don't know  
Where inside  
Table  
For one tonight  
I made up my mind  
This gon be  
The last time  
No, no  
No more waiting  
I'm just so sick  
Of this day

I said  
This kitchens closed  
There's nothing

You can do  
To fix what you did  
Or what you  
Putting me through  
You got me  
All fired up  
But my stoves  
Turned off  
Go let you knew  
That he misses  
No better  
Breaking you off  
She got  
My left overs  
Left overs  
Left overs  
Hope she like ma  
Hope she like ma

I hope your new girl  
Doesn't mind you  
And yells  
That's the choice  
That you choose  
Cuz he's settled  
For the drive trough  
So don't bother  
Turning  
You're car around  
Cuz  
I'm calling you out  
And I gotta  
Get away from you

Couse were here alone  
Every TV's blown down  
And don't know  
Where inside  
To late  
Too make things right  
I made up my mind  
This gon be  
The last time  
I waited up for you  
There's nothing  
You can do

I said this kitchens  
Closed there's nothing  
You can do  
To fix what you did

Or what you  
Putting me through  
You got me  
All fired up  
But my stoves  
Turned off  
Go let you knew  
That he misses  
No better  
Breaking you off  
She got my left overs  
Left overs left overs  
Hope she like ma  
Hope she like ma

Left overs  
Left overs  
Left overs  
It's coolin' down  
It's coolin' down  
It's in the frigerator  
Now I'm calling you out  
It's coolin' down  
It's coolin' down  
It's in the frigerator  
So I

Hope she like ma  
Hope she like ma  
I said  
This kitchens closed  
There's nothing  
You can do  
To fix  
What you did  
What you did

I said  
This kitchens closed  
There's nothing  
You can do  
To fix what you did  
Or what you  
Putting me through  
You got me  
All fired up  
But my stoves  
Turned off  
Go let you knew  
That he misses  
No better

Breaking you off  
She got  
My left overs  
Left overs  
Left overs  
Hope she like ma  
Hope she like ma
