Cuz I gotta player my hands
I got a real jabber on my hands
I got a faker on my hands
Got a good liar on my hands

~Flo Rida Rap~

....

Since I clean you up baby we poppin' rubber bands
Lil' mama, I'm the man
Tell me what you're sayin'

Everybody gets,
Gets a fair try,
You alright with me,
'Til you tell a lie,

From the time you seem
Like a different type of guy
Did your own thing
I gave it a try then you

Told me you were catchin' feelings
Kind of unusual
Normally you won't let no woman
Ever see this side of you

I'll admit you had me goin'
Thinkin' that this was the move
Until I seen a girl all on you
Kissin' you
Now your bridge is burned

~Chorus~

Uh-huh, uh-huh
I guess I was wrong about him
Uh-huh, uh-huh
Looks like now I got a problem
Cuz I got a

Player on my hands
Uh-huh
I got a real jabber on my hands

I got a faker on my hands
Uh-huh
Got a real liar on my hands

I told my girls I wouldn't trip
I'm gon' stay calm
I'll just wait to later
Then give him a call

Now he's trying to convince me
That I didn't see what I saw
You're on defence
Cuz you know you just broke the law

Now you're

Tellin' me you're all about me
No other girl will do
But boy one thing about me is
I ain't a fool

I'll admit you had me goin'
Thinkin' that this was the move
Until I seen a girl all on you
Kissin' you
Now your bridge is burned

~Chorus~
Uh-huh, uh-huh
I guess I was wrong about him
Uh-huh, uh-huh
Looks like now I got a problem
Cuz I got a

Player on my hands
Uh-huh
I got a real jabber on my hands
I got a faker on my hands
Uh-huh
Got a real liar on my hands

~Flo Rida~
Tell it to the judge
Ah,
Oh yea you got it rite this time baby
You got a player on your hands
But if its too hot for you
Tell it to the show

What you know about
Bein' up in the club

With another girl
You'll get caught

Now you gon' pay
Gotta plead your case
I'm comin' your way
What you gon' say

~Flo Rida Rap~

~Chorus~
Uh-huh, uh-huh
I guess I was wrong about him
Uh-huh, uh-huh
Looks like now I got a problem
Cuz I got a

Player on my hands
Uh-huh
I got a real jabber on my hands
I got a faker on my hands
Uh-huh
Got a real liar on my hands...

My Hands... My Hands

What you know about
Bein' up in the club
With another girl
You'll get caught

Now you gon' pay
Gotta plead your case
I'm comin' your way
What you gon' say
