Lock me up, lock me up, lock me up up up  
Lock me up, lock me up, lock me up up up

[Chrystina]

I got a love disorder sick from paranoia  
Cause my hearts been broken before ya  
I need some anesthetic cause I start to panic  
When the feelings get too familiar  
And then I get that itch and my eyes begin to twitch  
Dr. Jekyll Mrs. Hyde  
Someone is taking over

(Chorus)

The walls are shaking now I'm paranoid  
Can someone stop the noise in my head  
Wow-Oh-Wow-Oh  
The clock is ticking I'm about to crack  
Just like a maniac on the eh-edge

No-Oh-Wow-O-Wow-Uh-Oh-Oh-Wow-O-Uh-Oh-Oh-Wow-  
Oh-Wow-Uh-Oh, A Maniac  
No-Oh-Wow-O-Wow-Uh-Oh-Oh-Wow-O-Uh-Oh-Oh-Wow-  
Oh-Wow-Uh-Oh, A Maniac

[Nichole]

Psycho-logic could be schizophrenic  
But all I know is I don't remember  
Where they took my feelings, I still mend the whispers  
Is it cold cause I got the shivers  
Cant feel my finger tips, saying things that don't exist  
Dr. Jekyll Mrs. Hyde  
Which one is taking over

(Chorus)

The walls are shaking now I'm paranoid  
Can someone stop the noise in my head

Wow-Oh-Wow-Oh

The clock is ticking I'm about to crack  
Just like a maniac on the eh-eh-eh-edge

No-Oh-Wow-O-Wow-Uh-Oh-Oh-Wow-O-Uh-Oh-Oh-Wow-  
Oh-Wow-Uh-Oh, A Maniac  
No-Oh-Wow-O-Wow-Uh-Oh-Oh-Wow-O-Uh-Oh-Oh-Wow-  
Oh-Wow-Uh-Oh, A Maniac

[Natalie]  
Wah, Wah, Wah, Wah  
I need a doctor  
Blah, Blah, Blah, Blah  
Ca-Ca-Ca-Crazy  
La, La, La, La  
There goes the neighborho-uh-od  
The neighborho-uh-od

Lock me up, lock me up, lock me up up up (Uhh-oooh)  
Lock me up, lock me up, lock me up up up (Ohhhh)

(Chorus)  
The walls are shaking now I'm paranoid (Para-nooooo-  
id)  
Can someone stop the noise in my head  
Wow-Oh-Wow-Oh  
The clock is ticking I'm about to crack (About to cra-yak)  
Just like a maniac on the eh-edge

No-Oh-Wow-O-Wow-Uh-Oh-Oh-Wow-O-Uh-Oh-Oh-Wow-
