(Natalie):

Find someone new
I ain't over you
I ain't over you
I ain't over you

(Chrystina):

I don't care what you say, cause I got your
letters, they're thrown away
I gave my ring back boy and I'm ready to say
now it's me and my girls, we're lookin' to play
I don't care if I ever see your face again, I'll be
alright
I'm done playing your games, I ain't waitin no
more
Boy, I'm out that door

(Chorus):

Don't call me anymore
Ain't gonna be your toy
Don't call me anymore
No more texting me or sexing me
Never gonna be my boy
Ain't gonna be your toy
Never gonna be my boy
Better find someone new, cause I'm over you
Oh, uh, oh, oh, oh, oh uh
Find someone new, cause I'm over you
Oh, uh, oh, oh, oh, oh, uh
Find someone new, cause I'm over you

(Nichole):

You're not gonna fool me boy, I've been there
before, not opening that door.
I caught you with that girl and there's nothing to
say.
It's too late baby, You've thrown it away.
You're not ever gonna hold me close to you
again, don't you even try
I'm through being with you I'm not your
girl anymore
Boy, I'm out the door

(Chorus):

Don't call me anymore
Ain't gonna be your toy
Don't call me anymore

No more texting me or sexing me
Never gonna be my boy
Ain't gonna be your toy
Never gonna be my boy
Better find someone new, cause I'm over you

Don't call me anymore
Ain't gonna be your toy
Don't call me anymore
No more texting me or sexing me
Never gonna be my boy
Ain't gonna be your toy
Never gonna be my boy
Better find someone new, cause I'm over you.
Oh, uh, oh, oh, oh, oh uh
Find someone new, cause I'm over you
Oh, uh, oh, oh, oh, oh, uh
Find someone new, cause I'm over you

(Natalie):

You're not ever gonna hold me close to you
again, don't you even try
I'm through being with you, I ain't your
girl anymore
Boy, I'm out that door

(Chorus):

Don't call me anymore
Ain't gonna be your toy
Don't call me anymore
No more texting me or sexing me
Never gonna be my boy
Ain't gonna be your toy
Never gonna be my boy
You better find someone else, cause I'm over
you

(All):

I'm over you, I'm over you
I'm over you, I'm over you
Find someone new, cause I'm over you
Find someone new, cause I'm over you

(Natalie):

Find someone new

I'm over you, I'm over you, I'm
over you
Uh, huh, uh, over you
