I was wondering if I could
Take you off somewhere
Me and you alone
Doing things we're probably not supposed to
I wanna make it close to... you.

And then grab the both of your hands
Put them 'round my waist
We'll start slow dancing
While the Disc Jockey's playing our song
I'll give it to you all night long

Ooh yeah

~Chorus~

I'll let down my hair
Take off all my clothes
Up and down the stairs
'Till we end up on the floor
It's just me, you and the radio
Me, you and the radio

If you touch me there
I might lose control
I hope you ain't scared
To let your body go
It's just me, you and the radio
Me, you and the radio

Just give me an instrumental,
A sexy beat that makes me move
Then I'mma be on you
I hope your ready
Cuz this feeling is strong
And you know that it's on

~Chorus~

I'll let down my hair
Take off all my clothes
Up and down the stairs
'Till we end up on the floor
It's just me, you and the radio

Me, you and the radio

If you touch me there
I might lose control
I hope you ain't scared
To let your body go
It's just me, you and the radio
Me, you and the radio

Talk to 'em now

Now turn your phone off
Cuz we in the zone now
I'm gon' take my clothes off
We gon' break it on down

Me, you and the R-A-D-I-O
I know that you're ready for me
I'm gon' jump on it,
You just gotta keep it steady for me

Inaudible jam hit
I'm gon' have it
I'm gon' do the damn thing,
I hope you can handle it

Got a couple candles lit
Couple bottles of that 'trone
Promise I won't do you wrong
And that DJ play my song,
It's gon' be on, oh

~Chorus~

I'll let down my hair
Take off all my clothes
Up and down the stairs
'Till we end up on the floor
It's just me, you and the radio
Me, you and the radio

If you touch me there
I might lose control
I hope you ain't scared
To let your body go
It's just me, you and the radio
Me, you and the radio

Yeah, yeah, hmm, oh

It's just me, you and the radio
Me, you and the radio
