(Feat. Sean Kingston)

Thinking about you, and me
I don't know what to do,
About us baby
I'm missing you
Like ice on my finger,
Snow in the winter
Ain't got nothing
To do but cry,
Cry on my pillow

Now I already
Kissed on bobby (bobby)
I already
Checked on Trev (Trev)
I'm already done
With Tommy (Tommy)
And I'm already
Through with frank (frank)
Now I wonder
Where you went (went)
Baby I gotta tell you
That I'm still,
Still in love

Chorus:
I'm still in love
I'm telling you
Straight up
Still in love
I can't believe
We could break up
I'm still in love
Can we get,
Can we get back to it,
Can we get,
Can we get back
Cause I'm still in love,
Still in love

Thinking bout your kiss,

So long
But the problem is,
You're lips are long gone
Baby can you forget about
The stressing
Think about the present,
Tired of the stressing
I just want you
To be my baby once again

Now I already
Thought about Brian
(Brian)
And I already
Seen about James
(James)
And I know you heard
About me trying
(Trying)
To rekindle my own flames
(Flames)
And every time
I think I can
(Can)
I hear something about you
And I'm like damn damn damn

Chorus:
I'm still in love
I'm telling you
Straight up
Still in love
I can't believe
We could break up
I'm still in love
Can we get,
Can we get back to it,
Can we get,
Can we get back
Cause I'm still in love,
Still in love

Sean Kingston:
Girl you got me going crazy,
Thinking bout you everyday
(Everyday)
The feelings
That I have for you,
Baby they will never go away
(Go away)
Girl I'm still in love,

No matter what dem wan sey
(Dem wan sey)
You got me so caught up,
So baby just come my way
(Come my way)

I'm trying, I'm trying,
But I'm lying, I'm lying
Cause I'm crying
I'm crying, I'm dying
Without you there's nobody,
Nobody, nobody
That moves me like you do

Chorus:
I'm still in love
I'm telling you
Straight up
Still in love
I can't believe
We could break up
I'm still in love
Can we get,
Can we get back to it,
Can we get,
Can we get back
Cause I'm still in love,
Still in love
