Memories

Like the corners of my mind

Misty water-colored memories

Of the way we were

Scattered pictures

Of the smiles we left behind

Smiles we gave to one another

For the way we were

Can it be it was all so simple then

Or has time re-written every line

If we had the chance to do it all again

Tell me, would we or could we

[Nichole]

Memories

May be beautiful and yet

What's too painful to remember

We simply choose to forget

So it's the laughter

We will remember

Whenever we remember

The way we were

The way we were

[Natalie]

See I will not replace

Or erase all our memories

Lessons given to us

We learned unselfishly

So take this moment

Take an extra breath

With respect

For our time

Can't rewind

What's just meant to be

But now we gotta move on

Gotta stay strong

Celebrating us all night long
No regrets
Don't forget
That our time together
Was truly beautiful
These memories
Will live forever

[Nichole]
Memories
May be beautiful and yet
What's too painful to remember
We simply choose to forget

So it's the laughter
We will remember
Whenever we remember
The way we were
