Natalie:

I've been fading and lately  
I haven't quite been myself  
You ain't been around  
And I can't find no one else  
All the things that felt wrong  
With you I'm starting to learn  
Now I'm staring at pictures I can't get enough  
Unlearn me,  
And turn me back to the girl  
That used to love you  
Unmake me and take me,  
back cause I need you,  
I gotta see you again

Chorus:

Unlearn me(x3)  
And turn me back to that girl  
Unlearn me(x3)

Nichole:

I was so vague, insecure  
I was all of the above  
But you came always sure  
About what your thinking about  
Now i'm holding your sweater  
In the rain nothing better

Than the scent of your cologne  
When you coming home  
Unlearn me,  
And turn me back to the girl  
That used to love you  
Unmake me and take me,  
back cause I need you,  
I gotta see you again

Chorus:

Unlearn me(x3)  
And turn me back to that girl  
Unlearn learn me(x3)

Chrystina:

The truth is I'm so weary

And I mess it up cause I'm silly

And i'm trying i'm trying I'm asking you

Chorus:

Unlearn me(x3)

Baby unlearn me

Unlearn me(x3)

I'm crying out unlearn me

Unlearn me, and turn me back..

Ohhhh ohhh wooahh

Unmake me, and take me back..

Take me back
