Girlicious!
Kardinal!
Huh!

You take a girl on a few nice trips
Let a girl sit in a few nice whips
I guess you feel like I owe you one
I guess you want me to show you something

So you got mama a brand new bag
Hoping that mama gonna feel that swag
I guess you feel like I owe you one
I guess you want me to show you something

You say you like to go shopping
You wanna take me out
(You wanna take me out?)
Buy me a little something something
Saying that it's nothing but I know what it's about

But you don't wanna play dress up
You wanna take me down
Guess you figured a trinket or two
Would get you a ticket into what's under my blouse

You take a girl on a few nice trips
Let a girl sit in a few nice whips
I guess you feel like I owe you one
I guess you want me to show you something

So you got mama a brand new bag
Hoping that mama gonna feel that swag
I guess you feel like I owe you one
I guess you want me to show you something

Breathing down my neck, breathing breathing down my
neck
You be breathing down my neck, breathing breathing
down my neck
I guess you feel like I owe you one
(Oh, you think that I owe ya?)
I guess you want me to show you something

You say you wanna give me the world
You're just looking for a special girl
I ain't buying it, so stop trying it
You just wanna hit, no, you're not getting it

You say that I deserve diamonds and pearls
The Gucci, the furs, La Perla, the world
I ain't buying it, so stop trying it
You just wanna hit, no, you're not getting it

You take a girl on a few nice trips
Let a girl sit in a few nice whips
I guess you feel like I owe you one
I guess you want me to show you something

So you got mama a brand new bag
Hoping that mama gonna feel that swag
I guess you feel like I owe you one
I guess you want me to show you something

Breathing down my neck, breathing breathing down my
neck
You be breathing down my neck, breathing breathing'
down my neck
I guess you feel like I owe you one
(Oh, you think that I owe ya?)
I guess you want me to show you something
(Oh, you want me to show ya?)

Breathing down my neck, breathing breathing down my
neck
You be breathing down my neck, breathing breathing'
down my neck
I guess you feel like I owe you one
(Kardinal!)
I guess you want me to show you something

Girl, you know you owe me
Ain't nobody gonna stop talking
Yes, you tried to show me
That you was more than a purse

I took you from being no good
To shopping around the world
I took you from go-go dancing
To a Girlicious girl

You owe me for that Gucci
While you selling all the dinners
All the diamonds got you wilin'

You better give up the center

Like a Rolo I'ma go solo
'Til you give back the Polo
Oh no, you ain't no Naomi
You better show me that yo yo
Let's go!

Oh, I wish that you could see
How foolish you look
Trying to get my heiny and I find it very funny
'Cause you look just like a dummy 'cause I got my own
money babe

Oh, I wish that you could see
How foolish you look
So unimpressed by all of your tactics
You're trying to play this game but I think you need
practice

Breathing down my neck, breathing breathing down my
neck
You be breathing down my neck, br-br-breathing down
my neck
I guess you feel like I owe you one
(Oh, you think that I owe ya?)
I guess you want me to show you something
(Oh, you want me to show ya?)

Breathing down my neck, br-br-breathing down my
neck
W-w-want me to show you something
Sh-sh-show you something
Br-br-breathing down my neck

You take a girl on a few nice trips
Let a girl sit in a few nice whips
(Girlicious!)
I guess you feel like I owe you one
(Kardinal!)
I guess you want me to show you something

Ay, playboy
You gon' need to back up boo
Ay, you a hater
Oh, oh, oh, oh
