She said I just went along
Just went along

Somebody tripped the zero G switch
Somebody hit the zero G
Thank god for the carpet on the ceiling
Thank god for the carpet right now

If I can just make it through tonite
If I can only show you a good time
I'm already tired of waiting
Already tired of waiting around

In a bughouse
Lay down
In a bughouse
Lay down

In a dreamboat
Out of tune
I'm all out of tune

Sally love
Sally love

So I put in my call to the men in white
I put in my call to the men in white
They're gonna take me from the bughouse
Gonna take me from the bughouse

I'm out of tune
