How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you

How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush, crush, crush, crush

How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you

How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush, crush, crush, crush

How did you  
You found out  
[X2]  
I've got a crush on you

How did you- [x2]  
I've got a crush, crush, crush, crush

How did you know 'cause I never told

You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you  
[X3]

You must have heard it  
From my best friend  
She's always talkin' when she should be listenin'  
Can't keep a secret  
To save her life  
But still I trusted her with all I felt inside  
I never knew, a rumor could spread so fast  
'Cause now the word is out  
All over town  
That I'm longing for you

How did you  
You found out  
[X2]  
I've got a crush on you

How did you [x2]

I've got a crush, crush, crush, crush

How did you  
You found out  
[X2]

How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you
